EVANGEL PRISON MINISTRIES

Men Needed

There are several volunteer positions available for men in the Prison Ministry. These inmates in the prisons are the people Jesus died for. Many times, we spend time seeking things we think are important, but is not what is important to God.

In taking a step of faith and stepping out, you are making a personal sacrifice for the Gospel, and you are obeying God and His calling. There will be great rewards for you now and for eternity.

You may say, “I can’t preach or teach,” and that may not be the part you will be asked to do. BUT—all of us do teach—we teach by example. You may be the only Bible some of these inmates will ever read. Its important that we go—while the doors are still open. Time is short—and what we are to do, we must do now.

Call us at 964-3304, ext. 1227.

The Prison Ministry needs your help, but most importantly—The Lord needs you!

Marion Crusade Wonderfully Fulfilling

Hi, I'm Carla Norman. I joined Evangel Prison Ministries in 2010. I went to a crusade at the women's prison last year, and just recently went to Marion County's Minimum and Medium Security prisons.

The experience was so wonderful and fulfilling; so many people to share the Good news with.

Ever since I became reborn, I've wanted to tell people about Jesus - this is the best opportunity I have found yet. We brought fantastic music, preaching, and delicious hamburgers and we were welcomed with much enthusiasm. It was a fabulous Jesus celebration.

The tender loving care of Jesus that we shared with them was so rewarding.

The testimonies of hope and peace that we have found thru Jesus, living in this world with its problems and circumstances, really puts a smile on their faces.

I love to tell them if they'll start reading the Bible and following Jesus, their smile will become bigger than their face. That always gets them laughing.

I was really surprised to find so many of the prisoners already had a relationship with Jesus, which they had found through prison ministries like ours, after they had been incarcerated. They were just beaming with the love of Jesus – they could have even taught me! I came away with the glory of God all over me. It was a very rewarding sensation to know that so many hearts were blessed and so many were willing to receive – and even the ones who were resistant at first ended up coming around and receiving by the end.

The prison ministry is such a needed entity for our prisons.

I recommend this ministry for anyone who can't shut up about Jesus and our freedom in Him!

Lee Adjustment Center Yard Event Awesome

On Saturday June 11th we had our Yard Event at Lee Adjustment Center. The inmates enjoyed watermelon and ice cream with their afternoon meal.

We usually eat and fellowship with the inmates during this time, but there were a few discrepancies and complications, so we were not able to do this—it looked like the devil had really messed things up, but we had time to fellowship with each other, pray, and prepare for the day at hand.

As I sat there in the chapel waiting for the inmates, the presence of God began to fill the room. Someone commented that yes, He was there, but it was more than that, you could actually feel His presence there. The atmosphere began to change, one of excitement and anticipation of what was about to happen. They have their own praise and worship team there, in a word WOW, they are awesome. The presence of God was filling the room as well as the inmates. The music, testimonies and the word began to flow. I noticed that each song, each testimony, and the word all tied in together. (It was like we had a meeting to discuss what we were going to do). God was definitely in control. It never fails, we go to bless *them* and we always get blessed. Amen.

Recent Inmate Thank You Notes

My friend Aaron Harris received Betrayal to Forgiveness from your ministry and that same time I had a nervous breakdown because of issues with my family and what I recalled them doing to me. He sent me the packet to read and talked me into forgiveness and prayer. With his help and reading this packet, I felt God's presence moving throughout myself, him, and God's words and words of the packet. I am very thankful and blessed to be part of this ministry. Not only does it teach God's word, but it also teaches and applies it to life's trials and tribulations. God bless you! Keep me in prayer and keep up the good work!

—Jaquon Collins, Westover, MD

This study (Get in Line) is helping more than you and I will ever know because its helping me control my tongue and that's hard to do being I'm on this earth surrounded by sin's nature. Words are the devil's kingdom and are the hardest temptation for me to fight, but with some help from God's people, I believe in Him our Lord and Savior to guide us to Heaven.

—John Carrigales, Columbia, TN

For some time now I've had some issues with my prayer life. This study has been such a blessing that I've read it a couple of times! It's opened my eyes to some things that I thought were true, but was unwilling to admit. Thank you for such a chance to help me in my prayer life.

—John Mills, Pendleton, IN

I have learned more from these lessons than I could ever thought possible! I have a very good understanding of things now that I didn't know before. It brought a lot of things closer to my understanding. It's a blessing from God that I have been able to receive such help and teaching from the Evangel Prison Ministry. Thank you so much. I love this ministry, and may God bless all who are involved in the ministry and the ones that are faithful in Christ who do His will.

—Willie Joe Dixon, Miami, FL

I have been in a constant state of prayer since I got here (KCIW), could you please forward information on fasting and how I can do it effectively & pleasing to God? This lesson (7 steps) has empowered me. I was in a state of feeling hopeless (which is not my normal demeanor) when my neighbor received this. She said, "Oh, I've already done this one, plus I'm going home on parole, you can have it if you want," - what a blessing! Thank you for this study and future studies. Also, thank you for your closing prayer. Even though you spoke it on 9/23/01, I felt as if you were saying it to me for the first time. My prayer is for continued success of the Evangel Prison Ministries!

—Paula M., Pewee Valley, KY

This course has blessed me by showing me ways to flee evil or temptation and that by doing so I can avoid a stumbling block that can carry serious consequences. That I should view a lot of things as a challenge or test by God to see if I will bring honor to His name. It taught me a valuable lesson in forgiveness, I mean, it showed me that if I can't forgive all, then how can I expect God to forgive me of all of my wrongs. It also has reinforced a belief that all things happen for a reason, and that even a bad event can have a good ending. Finally, it has shown me that just because we grow older, we don't necessarily get wisdom, but to truly get it we have to earnestly seek it and ask for it from the only true source of wisdom, which is God! Thank you and your ministry!

—Mark Anthony, Bonne Terre, MO

I received my first Bible study from your ministry on May 19, 2009. As of today, I have never ever been disappointed in the power and motivation your studies have provided to me. Truly, you are blessed with the messages of God to us! At every chance I get, I encourage others to read your lessons. My gratitude toward you is indescribable. I thank God for your ministry and pray for the lost around me now as you have taught me.

—Hilario Soque, San Jose, CA

I'm very thankful for these studies. I am growing in the word of God. Satan is present everywhere. Thank you and God bless you for helping me keep my mind and heart on a Christlike path.

—Marcus Faison, Jamestown, CA
