EVANGEL PRISON MINISTRIES

Jesus is the Answer

The answer for the USA is not in the government in Washington, D.C., our state government or our city government. It is not in the school system or our health care system. It is not in the deals and treaties we make with other countries and not in giving of our time and money to help programs. All the above are good, but they are not the answer to our problems. The one and only answer is Jesus Christ. It is about each and every individual finding and accepting Jesus Christ as their Savior and making Him Lord of their life. He is the only hope for America. Wake up people, it's time for us to be about our Father's business. Time is short.

Note of Encouragement from Sherry Wright

A couple of years ago, I went to the hospital to visit a friend, Mike, who in his past was president of a hard core secular biker club. He gave his heart to Jesus and ended up being the pastor of a church for quite a few years. While at the hospital I met a man and his wife who came to visit Mike. They pastor a Christian biker church. Their lives were not always what they are now, changed from chains of shame and all that sin brings with it. We shared our testimonies and how wonderful and faithful Jesus has been to us. I have kept in touch with them and even gave my testimony at their church. There is not anything as touching as seeing a church full of redeemed bikers raising their hands and worshiping the Lord. Now they have been going in on the prison yards with us for our on-the-yard crusades/cook outs for the inmates. They share their testimonies and preach and even have their own band when they bring their motorcycles. On the yard, the inmates gather around to see the bikes and hear their stories. Also the biker church had a biker run for the prison ministry last year to raise funds for us to fill and give out 7000 Christmas stockings for inmates' children. They are doing it again this year. Remember one of the last people Jesus talked to before He died was a prisoner on the cross. Thank you for all you do for the prison ministry. There is a harvest of souls behind prison walls that will hear testimonies and see that love will change their lives forever.

**Inmate Saved through our Course!**

I want to thank you for the Bible lessons that you sent me. You couldn't have sent them at a better time. I am currently in the hole for dirty drug tests and have been battling addiction for 15 years. I come from a Christian home, but strayed away after High School. Drugs have ruined my life. They have taken away 3 wives and 3 kids from me; homes, vehicles, motorcycles, jobs and most of all, my freedom. I have been struggling with getting back into the Word and trying to live for God. Today is Sunday, April 12, 2015 and it is my son, Andrew's, 15th birthday. So I've been really down on myself about not being out there with him and now I can't even talk to him. Anyway, I woke up this morning around 5:00 AM and just couldn't go back to sleep, thinking about my

son and my life, and the Lord started dealing with me. I sat up in my bed and swung my legs around to the floor and put my head in my hands. I looked down and saw the package that you all sent me and something was drawing me to it saying, "Just read some of it." So I picked it up and read some and it was now 9:00 AM and I haven't been able to put my lessons or my Bible away yet. On page 4 of the lessons I made my personal statement of salvation to God. As I was saying the prayer out loud, I started to begin to feel God's Presence all over me, and I began to cry through the whole prayer. I felt something new like never before. Like this

time I truly meant it and I'm ready to serve the Lord. Thank you guys so much for sending this to me. Because of you and God's amazing grace, I gave my life to God this morning in prison, sitting at my little table. Now I am able to give my son the best birthday gift in the world. A father that is now a man of God and is going to heaven with him!

Recent Inmate Thank You Notes

Wow! I really love the way you guys modify your courses. It helps a person like myself obtain better understanding in what it is the Lord wants me to do and how to keep 'faith'. Since I've been completing these courses, I've been able to recognize every blessing and discipline from the Father. I now know I have to speak the Word everyday, all day and praise Him for everything. Because of this course, no more doubt when asking through prayer, no more relying on man.

—Anthony Barnes, Mt. Sterling, IL

All of the lessons and studies I have done so far have been of great significance. Some have been answers to prayer, but most have been confirmation of what God has been teaching me. Thank you for your service to the Kingdom of God and aiding me to a more fulfilling life.

—James Jackson, Livingston, TX

As always, thank you for your study course on Joseph. It's been very uplifting getting to know more specifics about him, his life, and how he rose from adversity time and time again. It's just another fine example of what God can do—even for a man like me. I know he can and will still use me. Praise Jesus!

—Conrad Jennings, Stockton, CA

Thank you for sending me this course. I have really enjoyed it. These studies have been a big help in keeping me more focused on the Word of God and has given me much to think about and shown me areas I still have much to learn and work on.

—Dustin Green, Spruce Pine, NC

As always, I learn so much more from your version of the books in the Bible, because you explain in depth and give each Bible story so much more substance—where the essence of the story remains in one's heart and mind. Thank you so much and may God bless this ministry.

—James Fuller, Menard, IL

These courses have been a blessing and a tremendous help in my spiritual growth. Only when I feel that the last lesson was the best lesson yet, this lesson was the best yet. Every lesson gladdens my heart and strengthens my faith. I remember I had written your ministry to be placed on a pen pal list & instead got such a bigger blessing through everything I have learned concerning the power of the living God...you guys have edified my faith and raised my hope of expectations in the promises of God. I want to say thank you!

—Sergio Luis, Iowa Park, TX

Thank you very much for sending these studies to me. They give me hope and peace to build my relationship with the Lord. I was lost and in a very dark place. May God truly bless you for sending these studies to people like me and sharing the love of God with others! You have helped me to save my life by helping me change from the inside out.

—Jennifer Wilson, McCloud, OK

I've really enjoyed these lessons. They have taught me not only about the Bible, but I believe they have helped me understand areas of my life that went wrong and why. There are ones around me right now that I didn't understand what was the issue until I read these stories. It has shined the light on what I am to do other than pray. Thank you and God bless you for giving of your time. I am looking forward to all future lessons!

—Angelia Kenney, Gatesville, TX

What a valuable course! I am so grateful to your organization for creating such an easy to understand Bible study that really teaches us about praying in faith! I've always felt selfish and unworthy to pray for good things for myself, even a bit unsure God would want to provide nice things for me. But after reading, understanding, and now believing that God answers our faith-based prayers and that all good things come from God, I am satisfied that God wants to provide for me the desires of my heart. I do realize that I have to continue my walk with Him and I'm confident He will place all the right desires in my heart that are in line with His will for me. Praise the Lord!

—Conrad Jennings, Stockton, CA
